September 2017

**“Let all the earth fear the LORD; let all the people of the world revere Him.”**

Psalm 33:8 (NIV)

We’re so excited to share with you about what God is doing in our lives and ministry! We are seeing God move on our behalf in some unexpected ways! Here’s a brief overview of what we’ve been up to lately.

### **Training Missionaries in Brazil, South America**

Our friends André and Dani Scultori have a missionary training center “Arrows to the Nations” just outside Rio de Janeiro, where Nickie visited them to strengthen and encourage them and teach their students.

As Nickie taught a variety of materials to equip the students for their missionary task, he was awed at how the Lord was shaping them by an increased understanding of culture, of the fear of the Lord, and of God’s love for the peoples of this world. Most of these students will

go serve among smaller tribal groups that have been largely neglected.

Nickie taught for 25 hours in five days! Perhaps the most rewarding aspect of it was to see *understanding* coming to their minds and hearts. He did not know that his time with them was the last week of their training. The teaching gave them the means to solidify what they have been learning all semester long!

### **Starting a New Bible School in Malawi, Africa**

Sandi has been working with a CFNI graduate, Christopher Nyasulu, to start a new Bible School in Blantyre, Malawi. God has given Christopher the vision to start a Bible School like CFNI in his home country, where he has been serving as a pastor and gaining experience, teaching in another training center.

Sandi has provided consultation regarding the legal foundations, academic plan, and curriculum to ensure this School gets off to a great start. She is presently working through the various course selections and assisting with the application process to the CFN Association of Bible Schools as well as the local educational governing board in Malawi.

### **New University in Jamaica**

Our friends, Peter and Betty Burnett, are in the final stages of launching a new Christian University in the Caribbean. They plan to begin classes in October as a primer for the official launch next year.

Sandi has been working with Peter and his team providing consultation to help them develop a strong leadership team and a solid foundation for the university. God connected Sandi with Dr. Shero, a fellow Regent University graduate who started a university in Uganda. Dr. Shero has provided a wealth of insight and made good recommendations, which will greatly benefit this new venture.

## Moving into a New Season of Greater Impact

God is moving us into a new season of life and ministry and we are so excited about this transition. Our borders are expanding and we see new opportunities for greater Kingdom impact on the horizon.

It has been a growing desire of our hearts to have a home of our own and now God is giving us that opportunity!

We have found a home in a neighborhood in southwest Dallas that we really love. It is a large house that has sufficient space for our ministry office and room for Sandi's Mom to come and live with us. There is also space where we can host ministry events and fellowship gatherings and even extra room to have students come live with us too!

We are moving into a miracle!

These verses in Psalms: *"The boundary lines have fallen for me in pleasant places; surely I have a delightful inheritance."* Ps. 16:6, and, *"He brought me out into a spacious place."* Ps. 18:19, are great encouragement to us as we pursue the possibility of owning this home.

### PLEASE PRAY FOR:

1. God's guidance and blessing as we step out in faith
2. Wisdom to navigate the house purchase process.
3. God's grace on the process, and His abundant provision for all costs associated.

## Ignite Events at CFNI

Nickie is continuing to lead the Missions Connect student ministry at CFNI and uses this opportunity to host the monthly Ignite events.

At the August event a current student shared about his home country, Sri Lanka. We had wonderful multilingual worship and a powerful time of prayer for Sri Lanka as well as another 8 or 10 countries represented by those attending!

## Sandi Undergoing Coaching

God has made available a wonderful opportunity for Sandi to receive personal coaching.

She has been working with Rachel Sherburne, a former Air Force officer, fund developer, and business entrepreneur. Rachel is a professional coach with experience in the military, corporate, and nonprofit sectors.

The coaching sessions have served to strengthen the foundations of the ministry vision for Global Equippers. Sandi has also grown in her faith to trust God for new things and to develop new strategic initiatives.

We are very excited about what God has in store for us in the coming months.

## Would You Ask God if He Would Have You Partner with Us as We Move into a Miracle?

We are asking God for His miraculous provision of this home, which will become the Global Equippers headquarters and Ministry Center. We can see how it will position us for expansion and much greater impact as we train and equip leaders and host fellowship, worship, and prayer gatherings.

Three ways to give: **Online** at [www.globalequippers.org/donate](http://www.globalequippers.org/donate) | **Mobile Banking** to [give@globalequippers.org](mailto:give@globalequippers.org), or **Mail** your check to Global Equippers, 3336 Marvin D Love Fwy, Apt 234, Dallas, Texas 75224.

Please designate your gift to the missionary support of Nickie and Sandi Geldenhuis. Thank You!
