Look What God Has Done!

“Equip the equippers. Come and go. Come and go. Be blessed to be a blessing.” These prophetic words came into focus as we sensed God’s prompting to start Global Equippers in early 2000. From the very beginning, God has blessed us with friends and partners who offer guidance, support through prayer and financial assistance, collaborate with us, and open doors. Primarily serving Bible Colleges, we have provided training, equipping, and consultation. We have also shared in several churches.

In monthly IGNITE events, we showcased and prayed for unreached people groups within the 10/40 Window. Our Missions Intensive, offered in English, Korean, French, Amharic, and Spanish, enlightened hundreds of students, pastors, and Bible School teachers of God’s heart for all the peoples of the world. In both virtual and in-person gatherings, we enriched faculty members. We also facilitated tuition discounts for accredited Master’s Degree studies for the faculty of a Bible School in Zimbabwe.

The teaching manuals, library books, library shelves, and computers we provided added practical aid. Our recent Africa Connection event, held in Dallas, resulted in the Malawi Bible School receiving a much-needed boost towards completing its building.

These are just a few of the amazing people God has allowed us to serve over the past twenty five years:

25 Years of God's Faithfulness

When we first came to the United States in 1994, we had no idea that God would position us to serve at Christ For The Nations and expand our opportunities through Global Equippers. Looking back over the past 25 years, we are amazed at what God has done!

We recognize that none of what has been accomplished could have been done without the favor and blessing of God and the generous support of our friends and family. We are grateful to God for His grace and provision through His Body.

We want to thank you for your friendship, love, and financial support. We cherish your partnership!

The Next 25 Years

Of course, none of us can predict or plan for what will take place in the next 25 years, but we are confident that God has good plans for us. ***“For we are God’s handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do.”*** (Ephesians 2:10 NIV). We are excited to fulfill all the “good works” He has planned for us.

We are committed to doing our part in fulfilling the Great Commission through:

- Strengthening international Bible Colleges
- Equipping the local church for global missions
- Empowering Christian ministries for excellence in ministry effectiveness
- Sending and assisting missionaries for optimum world harvest
- Mobilizing Believers for Great Commission engagement.
- Collaborating in strategic missions initiatives
- Equipping leaders to ignite the worship of Jesus in the nations.

We anticipate expansion in several areas, including offering our training in an easily accessible and cost-effective online format. We are working to make our resources more easily available to those who need them.

Sandi’s doctoral studies are entering the final stages, and we envision God using the outcome of her studies to enrich and strengthen Bible Colleges for greater intentionality in fulfilling the Great Commission. **May Jesus reap the reward of His sufferings!**

We Need Your Prayers! Please pray for:

- Wisdom to know God’s heart and direction for His specific plans and purposes.
- Open doors for training and equipping.
- Favor and blessing on our ministry efforts.
- God’s grace and blessing on Sandi’s studies.

We Need Your Partnership! Please prayerfully consider supporting:

- Development of Online Training.
- Africa Equipping trip – Early 2026.
- Bible College Development – Malawi.
- Bible College Consulting – Zimbabwe.
- Training Resources Development.
- Monthly Support – Nickie and Sandi.

Thank you!
